Montréal, July 26, 2006

Dear Sir, Madam,

The Canadian Cancer Society supports the initiative of the FIT Forces in organizing a conference to take place October 13 and 14, 2006. A portion of the inscription fee will be donated to the Canadian Cancer Society and, in turn, that money will help to fulfill the mission of the CCS to eradicate cancer and improve the quality of life of people living with cancer.

The money donated to the Canadian Cancer Society will serve to directly finance research projects, provide support services to people touched by cancer, promote healthy lifestyles and advocate for healthy public policy.

**Did you know that one person in three will have cancer in his or her life time?**

Participate in the fight against cancer by contributing to the FIT Forces conference October 13 and 14, 2006.

If you would like more information concerning how your donation will be allocated, please contact me at the Montréal Office of the Canadian Cancer Society at (514) 255-5151 extension 2711.

Kind regards,

---
